

Notice of Availability
of Revised Final EIR for Proposed Runway Safety Area (RSA) Improvements Project

The Monterey Peninsula Airport District (MPAD) will hold a public meeting on Wednesday, December 19th to consider certifying the Revised Final Environmental Impact Report (FEIR) for the proposed Monterey Regional Airport's Runway Safety Area (RSA) Improvements Project and to consider approving the proposed RSA Improvements Project.

The public meeting will be held as part of the monthly December MPAD Board meeting which will begin at 9 a.m. on December 19, 2012, at the Monterey Regional Airport, 200 Fred Kane Drive, Monterey. Interested parties will have an opportunity to provide verbal comments to the MPAD Board before the Board considers certifying the Revised Final EIR and approving the proposed RSA Improvements Project.

Copies of the Revised Final EIR will be available for review during normal business hours at the Monterey Regional Airport, 200 Fred Kane Drive, Suite 200 and at the Monterey Public Library Main Branch, 625 Pacific Street, Monterey beginning on Friday, December 7, 2012, after 3:00 P.M. (PST). Copies of the Revised Final EIR as well as CDs will be available for purchase at the Airport District office (hard copies require several days for printing and cost approximately \$100; CDs will be available for a cost of \$3.). The Revised Final EIR will also be available for review and download on the District's website at:
www.montereyairportenvironmental.airportstudy.com.

For further information, please visit the project website or contact Desmond Johnston at 831-648-7000 ext 209.
